

# A warm message to all –

COVID 19 community support

Our DIAL advice line is open 9am-5pm, Monday to Friday to anyone.

Should you require any information, advice or be feeling a little isolated and in need of a chat, or perhaps in need of practical support such as shopping or collecting medication, we will endeavour to help. Our friendly and professional advisers are here to help and they will source the support you need.

*Just a word of caution; please be careful about letting strangers into your home, and certainly don't give them cash or bank cards to purchase things on your behalf. We will put you in contact with groups who have volunteers living in your community, or organisations who will have trained and checked staff.*
