AGREE ACTION AND AUTHORISE EXPENDITURE

Ms Louise Cantrill, of Skylite Associates Limited, updated members regarding a proposed new staffing structure, drawn up in consultation with the Town Clerk and Management Team, which would address areas where urgent staff support was needed, particularly regarding Health and Safety and cover for staff holidays and sickness. Team strength was essential as there would be new goals and projects to work on in the post lockdown phase, and this Council needed to ensure it continued to meet its legal obligations.

The growth and success of the Town Council required an expansion of staff and the future staffing structure recommended an upgraded Administrative Support Officer, and new posts of a Health & Safety and Projects Officer and an Engagement Assistant, which would provide some deputization. These proposals had been benchmarked against other Councils with similar circumstances.

Discussion took place and members considered the proposals and the form the new roles would take. Concern was expressed at the expenditure required to create new tiers of management, instead of having one Deputy Town Clerk post, and whether temporary appointments should be considered in the first instance.

The Town Clerk advised members that surplus funds were already available in the Revenue Budget because of staff changes and shortages during the year. She explained the purpose of the new proposed roles and recommended that they are put in place quickly, to allow the efficient running of the Council to continue.

Members considered the recommendations.
