P.4721 TO CONSIDER APPENDIX 1 PLANNING APPLICATIONS RECEIVED FROM CORNWALL COUNCIL AND DEALT WITH UNDER THE DELEGATED PROCEDURE IN ACCORDANCE WITH MINUTE P.3280.3

The Committee considered the recommendations of the Chairman and Vice Chairman for Appendix 1 applications, and it was duly proposed and seconded that Cornwall Council be advised accordingly.

P.4721.2 RESOLVED: that Camborne Town Council responds to Cornwall Council that it has no objection to Planning Applications 22/145 (PA22/06549), 22/146 (PA22/08022), 22/147 (PA22/08023), 22/150 (PA22/08360), 22/152 (PA22/08463), and 22/151 (PA22/08333). Whilst Camborne Town Council can see no objections to the proposals for 22/144 (PA22/08050, it would like it noted that: the HIA (Heritage Impact Assessment) is totally inadequate. It refers to an end of terrace property with side vehicle access, when it is in fact mid-terrace, and refers to front and rear gardens of which there is only rear. It states that it proposes a pitched roof to blend with existing properties, then proposes a flat roof (borne out by the plans), and it makes no mention of the conservation area

Proposed by Councillor Z Fox
Seconded by Councillor L McDonald

On a vote being taken the matter was approved unanimously.

The Chairman took agenda items 9 and 10 together.

P.4722 PUBLIC PARTICIPATION (SUBJECT TO STANDING ORDER 3e MEMBERS OF THE PUBLIC ARE PERMITTED TO MAKE REPRESENTATIONS, ANSWER QUESTIONS AND GIVE EVIDENCE IN RESPECT OF ANY ITEM OF BUSINESS INCLUDED IN THE AGENDA, UP TO A MAXIMUM OF FIFTEEN MINUTES)

TO CONSIDER APPENDIX 2 PLANNING APPLICATIONS RECEIVED FROM CORNWALL COUNCIL

P.4722.2 RESOLVED: that Camborne Town Council responds to Cornwall Council that it has no objection to Planning Application 22/142 (PA22/07584), but would recommend that the boundary wall have a stonework finish, or be of a muted colour

Proposed by Councillor L McDonald
Seconded by Councillor D Atherfold

On a vote being taken the matter was approved by a majority.

P.4722.3 RESOLVED: that Camborne Town Council respond to Cornwall Council that it has no objection to Planning Application 22/148 (PA22/04901)

Proposed by Councillor D Atherfold
Seconded by Councillor Z Fox

On a vote being taken the matter was approved unanimously.

P.4722.4 RESOLVED: that Camborne Town Council cannot support Planning Application 22/149 (PA22/08204) as presented. There are several errors on the application form and there is a lack of information and supporting documentation. The site is surrounded by mature trees and Cornish hedges which are important in the landscape and essential to screening any development. The extent of land ownership is not clear from the application (no 'blue line' indicated) but whether situated within the site or adjacent, these important trees and hedges should have been declared on the application form and we feel that it should not have been validated without a tree protection plan as a minimum. There is also no ecological survey supplied and the site is likely to provide habitat, or at least foraging for priority species such as bats so that mitigation and 10% increase for habitat is required (as there are so many errors on the application the assertion that the site is just under half a hectare should be challenged).

The site backs on to designated public open space, which is managed for conservation and this should also have been declared and taken into account.

Further concerns include the potential to increase flood risk down the slope from the site. There is a lack of recycling facilities, and the design is questionable. The units proposed seem boxy, bulky, and the reverse accommodation, with external staircases out of keeping. Development in this location has the potential to be prominent in the landscape and to impact the adjacent conservation area and the WHS. We note the high probability of archaeological value and draw attention to a granite stile opening into the adjacent parkland which should be preserved. Lastly it is regrettable that no consideration is given within these proposals to addressing local housing need. Something which is put into sharp context by the site's proximity to the 'Travelodge' where so many many homeless local families have spent extended periods in temporary accommodation

Proposed by Councillor Z Fox
Seconded by Councillor P Mills

On a vote being taken the matter was approved unanimously.
