Councillor Cosgrove stated that Councillor Miles had requested that no decisions be made on Kerrier Way plans until after the Climate

Action and Nature Recovery meeting. It was explained that no decisions would be made prior to this and that there would be ample time for consultation on the plans before decisions were made.

Councillor Cosgrove asked whether the CCTV meeting minutes could be presented more formally in future. It was agreed that this would be put to the next CCTV meeting.

The Chair took the next two agenda items together.

C.5844 PUBLIC PARTICIPATION (SUBJECT TO STANDING ORDER 3e MEMBERS OF THE PUBLIC ARE PERMITTED TO MAKE REPRESENTATIONS, ANSWER QUESTIONS AND GIVE EVIDENCE IN RESPECT OF ANY ITEM OF BUSINESS INCLUDED IN THE AGENDA, UP TO A MAXIMUM OF FIFTEEN MINUTES).

This was taken in conjunction with the following Agenda Item.

C.5845 TO RECEIVE A VERBAL UPDATE FROM INSPECTOR WAYNE HICK FROM DEVON AND CORNWALL CONSTABULARY AND AGREE ACTION

The ASB Officer explained that he was now the ASB Case Worker for the local area. He explained that his role was to act as a conduit working alongside the police and at the same time he wishes to work alongside the Council.

The Mayor then asked the ASB Officer if he would remain in the meeting in order to hear Councillors concerns. She then asked Councillor Mills to explain the complaint that had been received from the Produce Market. The complaint had been reported to the Council, but the ASB Officer said that it should really be reported to himself and the police.

Apologies had been received from Inspector Wayne Hick but Sgt Murray Styles, Neighbourhood Team Leader, attended in his place. He explained that his team had recently been inundated with demand but that they would ensure that the Produce Market is covered. The Police sometimes have their own stall in the market which ensures that they have a presence, however, they do also like to move location so that they cover the outlying villages as well. He explained that staffing levels were prohibitive to manage the town for every situation, but that people should dial 999 if they felt threatened. It was his aim to have the Neighbourhood Team out and visible as much as possible. They will also be working with the ASB Officer to target the individuals who are causing some of the issues.

Finally, Sgt Styles explained that there was a new system for identifying crime trends and he offered to bring the report to the next meeting. This was warmly welcomed.

Two members of the public who were present wished to speak to Councillor Morgan. Unfortunately, Councillor Morgan had given his apologies for the meeting and so they were given his contact details instead.

The last member of the public to speak wished to address two issues. He spoke about Cornwall Highway's response to the Town Council's request to have signage erected at the level crossings. As Cornwall Highways were not able to help then he queried why the level crossings must remain closed for such a long time and wondered if this could be reduced.

He also spoke about his concerns about Cornwall Highways proposed 20mph restrictions across the wider area. He felt that this had not been well thought through and that it might cause further congestion than already existed. He also wondered if the bus times would need to change as a result and whether this would mean that many of the speed humps could then be removed. One Councillor replied that Cornwall Council had already been contacted regarding the removal of speed humps and that the Council had been informed by them that this would not be happening.

C.5845.2 RESOLVED: that a verbal update from Sergeant Murray Styles from Devon and Cornwall Constabulary was received

Proposed by Councillor Z Fox

On a vote being taken the matter was approved unanimously.

C.5847 **TO RECEIVE VERBAL UPDATES FROM CORNWALL COUNCILLORS FOR THE PARISH AND AGREE ACTION**

There were no Cornwall Councillors for the Parish present at the meeting and so Councillors asked whether they could be in receipt of written reports from each for future meetings.

The Chair explained that there was some funding that would be available through the fund but that due to the expansion of the Local Area Partnership the Council would be in competition with a wider area. However, Councils were being invited to bid to the fund. Consequently, it was important to have strong representation at the meetings and it was agreed that a member of staff would be there to represent the Council's interests.

The Clerk explained that blinds were needed for both floors of the Passmore Edwards Building but that the quotes for approval were only for the ground floor at this point. Information from the companies had highlighted that blinds might not be suitable for the Council Chamber so, following further investigation, this would be brought back to a future meeting.

Three quotes had been sought and whilst quotes were comparable, it was felt that the company that had supplied the original blinds would be able to match the new with the existing blinds. However, some Councillors felt that as there was virtually no difference in price that the more local company should be chosen.

C.5860.2 RESOLVED: that quotes for blinds for the Passmore Edwards Building were received, the quote from Beaver Blinds was approved and the expenditure of £990.00 from Cost Code 120 / 4740 was authorised
